

READY TO RUMBLE

Maintaining your farm or ranch property is crucial to ensuring safety and efficiency. Whether you take care of a 5-acre ranchette or a 10,000-acre spread, we've gathered a collection of tools, vehicles and products that will make your job a little bit easier.

◆ CHERRINGTON 440 SCREENER BY CHERRINGTON ENTERPRISES

Cherrington screeners lift and carry sand and soil over a powered screen, separating debris into a hopper and sand or soil immediately back to the ground. This screening method will remove rock, hard clods of clay and horseshoes, producing a safer, more comfortable arena for your horses. The Cherrington Screen Clean Method screens up to 4 inches (102 millimeters) deep with this compact model, and 6 inches deep with the larger machines. ◆ ENTRY GATES BY ARTISTIC GATES

Sculptor Jose Varela hand-crafts custom fences, gates and doors that are not only beautiful artwork, but strong and functional too, adding value to any home or property. Jose has his own technique, using only chemicals to create beautiful patinas and textures.

The gates are then coated with a high-quality clear coat to ensure their longevity for many years. Based in New Mexico, Artistic Gates ships and installs nationwide. Each gate is created after working closely with clients to ensure satisfaction.

▼ ROTO HARROW ARENA CONDITIONER BY GIBBS MANUFACTURING

The Roto Harrow can groom all kinds of surfaces, including arenas, pastures, driveways and more. This self-driven tool has a quick hook-up. It will stir, mix and level as you go, with no negative pulling. Run the Roto Harrow tight on fences without fear of catching. It won't clog on grass or weeds, and the tool's unique rotating action means you only need to pass over the ground once to build air and loft and pulverize clods in your footing. Comes in four sizes. rotoharrow.com

◆ CYCLONE SUPERHAULER BY WOODLAND POWER PRODUCTS

Ideal for hauling stable waste, hay and other heavy, bulky or loose materials around your farm, the Cyclone SuperHauler can carry up to 800 pounds easily. Interchange the bulk bin for loose materials or the flexi deck, which allows you to extend the surface of this powered wheelbarrow for larger, bulkier materials. Two tire options allow you to have the right tire for your task. Buy with confidence thanks to a six-month, risk-free trial and one-year warranty for commercial use. cyclonerake.com/store/superhauler

◆ KUBOTA M7060 TRACTOR BY KUBOTA TRACTOR CORPORATION

Designed for farmers with 10 to 75 acres, Kubota M7060 tractors are ideal for cutting, raking and baling hay, as well as everyday ranch chores. They have been redesigned and re-equipped with features including a Common Rail System and the latest in Tier 4 final emissions technology for powerful, yet clean and economical performance. A fully synchronized hydraulic shuttle transmission makes shifting between forward and reverse effortless. The tractors include a constant RPM management system as well as an optional economy 540 PTO. kubotausa.com
