The Rancher 5 Star Saddle Pad from 5 Star Equine Products

5 Star Pads are handcrafted in the USA from 100% pure wool. They're breathable and remove heat, moisture and sweat away from your horse's back, keeping him cooler and drier. These pads protect against saddle pressure points on your horse's back and do not trap heat like pads made with synthetic materials. This pad is also available with a flex fit withers cutout and fleece lining. Size: 32 inches by 32 inches, 1 1/8-inch thick. These are available in black and natural.
