Women's Wrangler Sherpa Lined Southwestern Barn Jacket in Smoky Grey

WRANGLER

This jacket inspired by Wrangler's Western roots comes with an eye-catching print in a cool palette with a southwestern feel. The body is crafted from 100% cotton for comfort, and solid construction that's easy to break in over time. The ultra-soft lining is cozy sherpa for lightweight warmth. The jacket is finished with pointed yokes at the shoulders, a fancy yoke in the back, a sherpa collar, two lower patch pockets and branded hardware.

Double and Stitched Split Reins

MARTIN SADDLERY

There's nothing like a well-used and broken-in favorite set of reins. To capture that feeling, Martin Saddlery made new reins as good as the day they were old. This line features 5/8-inch hand-rubbed, double-stitched reins in a variety of Hermann Oak and latigo leather, put through Martin's signature process for a broke-in feel. Available in harness/harness, harness/latigo or latigo/latigo, and in a heavy or light weight.

Split Reins

DOUBLE DIAMOND HALTERS

These reins are made from hollow braid waxed nylon rope, rolled flat. Soft and pliable, the hollow braid construction prevents curling or twisting. Available in 1- or .5-inch width, 7- or 8-foot length, and natural or black. These reins connect to the bit with .75-inch wide 10/11 ounce burgundy latigo leather water straps. The 1-inch reins have a doubled teardrop-shaped 6/7 ounce leather popper on the ends for added weight. All leather is edge-dyed for a distinctive look. The 8-foot reins are ideal for snaffle bits.

2XCool Sports Medicine Boot

PROFESSIONAL'S CHOICE

Designed for cooling comfort and durability, this neoprene-free boot is constructed with ultra-light-weight, breathable materials for support and 4-way stretch. The boot liner is made of a technologically advanced textile combining natural cooling minerals, active wicking and rapid drying for a "Triple Chill Effect." A stretch Kevlar patch on the suspension strap flexes with every step for support without restricting movement. Enjoy \$20 off a 4-pack during the Professional's Choice Boot Up Promotion ending December 31, 2023.

The Saddle Doctor's Repair Manual for Western Saddles

by [Name]

Repair Your Own Saddle

The manual provides a step-by-step guide to the repair and maintenance of Western saddles. It covers everything from the basic structure of the saddle to the most complex repairs. The author, a professional saddler, provides a wealth of information and advice that will help you to keep your saddle in top condition for years to come. The manual is written in a clear, concise style that is easy to follow, even for beginners. It includes a large number of photographs and diagrams to help you understand the various parts of the saddle and the correct way to repair them. The manual is a must-have for anyone who owns a Western saddle and wants to keep it in good condition.
