TEXAS RED

RED
STEAGALL
WITH JIM JENNINGS

FOREWORD BY
REBA McENTIRE

BRAND NEW IN TIME FOR CHRISTMAS

Red's Autobiography
TEXAS RED
His story in his own words.

There may not be anyone who's more steeped in cowboy culture than Red Steagall. Famed cowboy poet. Western swing singer-songwriter. Well-known television and radio personality. He's even credited with discovering Reba—yes, that Reba. Name a Western award or a cowboy honor, and you can bet that Steagall's

name is there among the other greats. For Steagall, living the Western lifestyle is just part and parcel of who he is and who he's always been. Red will autograph your book with a personal note...available only from his ranch headquarters.
